11. Voting through electronic means
 - I. In compliance with provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Members are provided with the facilities to cast their votes on all resolutions set forth in the Notice of the Annual General Meeting using electronic means and business may be transacted through remote e-voting. The Company has engaged the service of Central Depository Services (India) Ltd. (CDSL) as the authorized agency to provide the remote e-voting facilities.

The facility for voting through ballot paper shall be made available at the Annual General Meeting and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper.

The members who have cast their vote by remote e-voting prior to the Annual General Meeting may also attend the Annual General Meeting but shall not be entitled to cast their vote again.

The notice of the e-voting process along with printed Attendance Slip and Proxy Form is being dispatched to all the Members. The e-voting particulars are provided at the bottom of the Attendance Slip.

The Instructions for E-Voting are as under:

- (i) The remote e-voting period begins from 27-09-2022 from 9.00 A.M. and ends on 29-09-2022 till 5.00 P.M. During this period, shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off/entitlement date of 23-09-2022 may cast their vote electronically. The remote e-voting module shall be disabled by Central Depository Services (India) Ltd. for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. DIVIDEND

With a view to conserve resources for growth of Company, the Board recommends no dividend for the year ended March 31, 2022.

COVID-19

FY2022 was once again dominated by the COVID-19 pandemic as new waves of infection swept across countries. In India the second wave (called 'Delta') proved far more deadly than the first that struck in 2022.

The advent of the highly transmissible variant 'Omicron' in early January 2022 (third wave) spread much dread across the world. During this wave, India's daily number of reported cases picked to nearly 350000 on 20 January 2022 and the active case load was over 22 million as on 23 January 2022. Fortunately, wild highly transmissible Omicron was not as clinically deadly as Delta. So, while many got infected almost all got well again within a week or so, without hospitalization and mortality.

The impact of the 2nd and 3rd wave of the pandemic on the performance of the Company and major adopted to steer through this continuing crises have been discussed in details in Management Discussion and Analysis.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management Discussion and Analysis Report has to be read in conjunction with the Company's financial statements, covering overall performance and outlook of its activities which read as follows-

TRADE STRUCTURE AND DEVELOPMENT

Jute Industrial sector is an important segment of Indian economy. Jute has been the most versatile natural fibre. The jute sector produces products ranging from low value geo-textile to high end jute made ups including sacking, hessian, yarn, decorative fabrics etc. In our country, due to the growing environmental concerns, state and central government started making laws and banning the use of single use plastic bags and items which may create a huge demand for low cost shopping bags. As yet consecutive year, the Met office has forecasted that the monsoon in India will remain normal and hence raw jute crop of ensuing crop season appears to be very encouraging. The price of the raw jute has dropped to some extent and the closed mills have started production. Recession is looming large in global market scenario due to Russia-Ukraine conflicts and there is uncertainty in improvement in export market for jute products.

OPPORTUNITIES

Jute is a natural fibre obtained from the bark of the white jute plant or the tossa jute plant. It is also known as the golden fibre owing to its golden and silky shine, and is extensively used in the manufacturing of packaging products and textiles. As a packaging material, jute offers advantages such as good insulation, low thermal conductivity and moderate moisture retention. On account of this, jute bags are used as packaging material for bulk goods as well as shopping and gift bags. The global jute shopping bag industry is currently at a nascent stage with encouraging growth aspects. The demand for jute bags has witnessed a surge over the past few years, particularly in the European Union. This can be attributed to the growing environment consciousness in the region. The imports of jute bags in non-producing countries have also been facilitated by the ban on plastic packaging materials and bags. Additionally, the benefits offered by jute bags such as their biodegradability, durability, low cost, high strength, etc. have further supported the market growth. The Indian jute industry is having plenty of opportunity by its side; it is not only one of the oldest industries of India but also among the major employer of the nation. There are a lot of strengths and also much chance to seize them but it could only be done if it overcomes its weaknesses and threats.

THREATS/RISKS AND CONCERNS

The following areas of risks and concerns continue to pose threat to Jute Industry -

- a) Threat of dilution from the Government by amending JPMA Guidelines.
- b) Cut throat competition from Bangladesh in export market which continues to enjoy benefits in the form of lower costs and government subsidies.
- c) Further decline in Global markets due to extraneous geo-political reasons.
- d) Increase in wage cost without linking to productivity which constitutes high proportion of production costs in a labour-intensive industry.
- e) Shortage of raw jute due to unfavourable weather conditions.

IMPACT OF COVID - 19

The beginning of financial year 2021-22 (FY2022) was once again dominated by the COVID-19 pandemic as new waves of infection swept across the world. In India, the second wave (called 'Delta') proved far more lethal than the first that struck in 2020. After a shaky start in some places, the vaccine immunisation programme by the Indian Government and Governments across the world has been exemplary. It saved lives and livelihood.

The highly transmissible variant 'Omicron' in early January 2022 (the third wave) spread rapidly across the world. During this wave, India's daily number of reported cases peaked to nearly 350,000 on 20 January 2022. Faced with the prospect of yet more lockdowns, there was fear that the world would face yet another year of slow economic growth. Fortunately, while highly transmissible, Omicron was not as lethal as Delta. So, while many got infected, fatality rate was fortunately low. As long as the new variants are like Omicron, we should have less to worry about mass hospitalisations, high mortality, multiple lockdowns and lower growth.

This pandemic has inflicted enormous pain and suffering to individuals and corporates alike across the world. However, it gave the world an opportunity to reinvent itself to adapt to new ways of life and business. COVID-19 was a real test of resilience and agility for every business. Corporations that have successfully adapted the challenges thrown by COVID-19 have become more resilient and prepared to weather future disruptions. It was not just the corporate sector that has

been forced to rapidly adapt. Public services organisations, regulators, governments, and local administrations have demonstrated their potential to adapt and overcome.

The Company continues its business activities, in line with the guidelines issued by the Government authorities, take steps to strengthen its liquidity position and further explore cost restructuring exercise. The Company does not anticipate any challenges in its ability to continue as going concern or meeting its financial obligations. As the situation is unprecedented, the Company is closely monitoring the situation as it evolves in the future.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company operates primarily in one business segment viz. trading of Raw Jute activities in India and accordingly this is the only Single Reportable Segment

OUTLOOK

Jute crop during the current year seems to be better than the previous year due to favourable weather conditions. Raw jute prices may also soften, barring unforeseen circumstances. Indian jute industry is largely dependent on captive demand for sacking due to the Jute Packaging Material (Compulsory Use in Packing Commodities) Act, 1987. The government demand is very robust. Uncertainty in escalation of Russian-Ukraine conflicts is continuing and the company cannot escape from the likely impact thereof

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has proper and adequate internal control systems to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and all transactions are authorized, recorded and reported properly. The Internal Auditors are mandated to carry out periodical audit and report on areas of non-compliances/weaknesses. Corrective actions in case of reported deficiencies, if any, are taken actively to further strengthen the internal control systems. These reports are reviewed by the Audit Committee of the Board of Directors for follow-up action and instructions are issued for taking necessary measures. The Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls with reference to financial statements were operating effectively as at 31st March, 2022, based on the essential components of internal controls over financial reporting criteria established by the Company.

FINANCIAL AND OPERATIONAL PERFORMANCE

The financial and operational performances are separately elaborated in the Directors' Report.

DEVELOPMENT IN HUMAN RESOURCES

Since development in human resource is needed for the organization's growth and to maintain its sustainability in the long run. The Company has continued its endeavor in maintaining peace and harmony at all levels of employment in the organization in the year under review. The Company is continuing its efforts through training to enhance competence of its manpower to make them more resourceful in their present job and also to prepare them for future roles. The Company has also introduced staff welfare schemes under which benefits are provided to deserving members of staff.

DETAILS OF SIGNIFICANT CHANGES IN KEY FINANCIAL RATIOS

There has been no significant change (i.e., change of 25% or more as compared to the immediately previous financial year) in any key financial ratios viz. debtor's turnover, inventories turnover, current ratio, debt-equity ratio, and operating profit margin. The Company has decided to report following Key Ratio:

Particulars	FY 21-22	FY 20-21
Current ratio	7724.23:1	10825.97:1
Return on equity ratio	-0.08	-0.02
Net Capital turnover ratio	0.07	0.07
Net profit ratio	-0.6	-0.09
Return on Investment	0.72	3.88
Return on capital employed	0.07%	-0.91%

CAUTIONARY STATEMENT

The Statement in the Managements' Discussion and Analysis Report detailing the Company's objectives, projections, estimates, expectations, or predictions may be "forward looking statements" within the meaning of applicable securities laws and regulations. These statements being based on certain assumptions and expectation of future events, actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include changes in Government regulations and tax regime, economic developments within India

and abroad, financial markets etc. The Company assumes no responsibility in respect of forward-looking statements that may be revised or modified in future on the basis of subsequent developments, information, or events. The financial statements are prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015. The management of the Company has used estimates and judgments relating to the financial statements on a prudent and reasonable basis, in order that the financial statements reflect true and fair picture, the state of affairs and profit for the year. The above discussions on our financial condition and result of operations should be read together with our audited financial statements and the notes to these statements included in the Annual Report.

INDEPENDENT AUDITORS' REPORT

To the Members of
Mihika Industries Limited

Report on the Audit of the Ind AS Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **MIHIKA INDUSTRIES LIMITED** ("the Company"), which comprise of the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss, Statement of changes in equity, and Statement of Cash Flows for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit/ loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143 (10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for the safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and

application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent and design, implementation, and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that gives a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- a) Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- e) Evaluate the overall presentation, structure, and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Information other than the financial statements and Auditors' report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Board's Report (including annexures thereto), Management Discussion and Analysis and Report on Corporate Governance (collectively referred to as 'other information') but does not include the standalone financial statements, and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Other Matter

We draw attention to Note No. 3, which describes the impact of the outbreak of coronavirus (COVID-19) on the business operations of the company. Given highly uncertain economic environment, a definitive assessment of the impact on the subsequent periods is highly dependent upon circumstances as they evolve.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, Statement of Profit and Loss, Statement of changes in equity, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - e. On the basis of written representations received from the Directors as on March 31, 2022, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022, from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company does not have any pending litigations which would impact its financial position.
 - (ii) In our opinion and as per the information and explanations provided to us, the Company has not entered into any long-term contracts including derivative contracts, requiring provision under applicable laws or accounting standards, for material foreseeable losses.
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - (iv) a. The company has not advanced any funds to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b. The company has not received any funds from any persons or entities, including foreign entities (“Funding Parties”) with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

(v) The company has not declared or paid any dividend during the year.

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MIHIKA INDUSTRIES LIMITED

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Mihika Industries Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
- (a) (A) The company is maintaining proper records showing full particulars, including quantitative details and the situation of Property, Plant & Equipment.
 (B) The company does not possess any intangible assets hence clause 1(i)(B) is not applicable.
- (b) The Property, Plant & Equipment have been physically verified by the management at reasonable intervals.
- (c) The company does not possess any immovable property and hence clause 1(c) is not applicable.
- (d) The company has not revalued its Property, Plant & Equipment during the year.
- (e) No proceedings have been initiated against the company for holding Benami property under The Benami Transactions (Prohibition) Act, 1988, and rules made thereunder. Hence, clause 1(e) is not applicable.
- ii)(a) Physical verification of inventory has been conducted at reasonable intervals by management. In our opinion, the coverage and procedure by the management are appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed.
- (b) The Company has not been sanctioned working capital limits above ₹ 5 crores, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- iii) The company has made investments in and granted loans or advances in the nature of loans, unsecured to companies, firms, LLPs, or any other parties.
- (a) In our opinion and according to the information and explanations given to us, the company has no subsidiaries or joint ventures or associates. Hence, this sub clause is not applicable to the company.
- (b) In our opinion and according to the information and explanations given to us, the terms and conditions of grant of loans are, prima facie, not prejudicial to the interests of the company.
- (c) In respect of loans granted by the Company, the schedule of repayment of principal and the payment of the interest has been stipulated and the repayment/receipt of principal and interest are regular.
- (d) There is no overdue amount in respect of loan granted to companies.
- (e) In our opinion and according to the information and explanations given to us, no loan or advance in the nature of loan granted has fallen due during the year as all the loans are repayable on demand.

- (f) The Company has granted all the loans or advances in the nature of loans repayable on demand. No loan has been granted to the promoters, related parties as defined in clause (76) of section 2 of The Companies Act, 2013.
- iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act, with respect to the loans and investments made.
- v) The company has not accepted any deposits from the public in terms of Section 73 to 76 or any other relevant provisions of the Companies Act, 2013. Accordingly, paragraph 3(v) of the Order does not apply to the Company.
- vi) The Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act, for any of the products manufactured by the company. Hence, this clause is not applicable to the company.
- vii) (a) The Company has generally been regular in depositing undisputed statutory dues, including goods and services tax, provident fund, employees' state insurance, income tax, cess and other material statutory dues applicable to it, to the appropriate authorities. As explained to us, the Company does not have any dues on account of goods and services tax, provident fund, employees' state insurance, sales tax, service tax, duty of customs, duty of excise and value added tax.

There were no undisputed amounts payable in respect of goods and services tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues in arrears as of 31 March 2022, for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, there are no statutory dues that have not been deposited on account of any dispute.
- viii) According to the information and explanations given to us, there are no transactions that are not recorded in the books of account to be surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.
- ix) (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
- (b) The Company has not been declared a wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on a short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

- (f) The Company has not raised any loans during the year in terms of clause 3(ix)(f) of the Order.
- x) (a) According to the information and explanations given to us, the Company has not raised money by way of an initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi) a) According to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- c) There are no whistleblower complaints received by the Company during the year (and up to the date of this report).
- xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- xiii) According to the information and explanations given to us, the transactions entered into with related parties are in compliance with section 177 & 188 of The Companies Act, 2013 and the details have been disclosed in the financial statements as required by the applicable Indian accounting standards.
- xiv) (a) According to the information and explanations given to us, the company has an internal audit system commensurate with the size and nature of its business.
- (b) The reports of the Internal Auditors for the period under audit have been considered.
- xv) According to the information and explanation given to us, the company has not entered into any non-cash transactions with directors or persons connected with directors, during the year.
- xvi) (i) The company is not required to be registered under section 45-IA of The Reserve Bank of India Act, 1934. Accordingly, reporting under clause 3(xvi) of the Order is not applicable to the Company.
- xvii) The company has not incurred cash losses in the current financial year and incurred cash losses of Rs.4.18 lakhs in the immediately preceding financial year.
- xviii) There has been resignation of the statutory auditors during the year due to expiry of tenure of 5 years, however, no issues, objections or concerns were raised by the outgoing auditors.
- xix) According to the information and explanations given to us, on the basis of the financial ratios, aging and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of

Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

- xx) According to the information and explanations given to us, the provision of section 135 of the Companies Act, 2013 is not applicable to the company. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.
- xxi) The reporting under clause (xxi) is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MIHIKA INDUSTRIES LIMITED

Report on the Internal Financial Controls under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Mihika Industries Limited (“the Company”)** as of 31st March, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended March 31, 2022**Note No. 1 - Corporate Information**

Mihika Industries Limited (the Company) [CIN - L70101WB1983PLC035638] is a public limited Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on Bombay Stock Exchange in India. The registered office of the Company is located at 3, Bentinck Street, 2nd Floor, Kolkata – 700 001.

The Company is engaged in the business of trading in commodities.

Note No. 2 - Basic of Preparation**(i) Statement of Compliance**

The financial statements comply in all material aspects with Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as under the companies (Indian Accounting Standards) Rules, 2015 read with Companies (Indian Accounting Standards) Amendment Rules, 2016 and other relevant provisions of the Act.

(ii) Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded off to the nearest rupees, unless otherwise indicated.

(iii) Historical cost convention

The financial statements have been prepared following accrual basis of accounting on a historical cost basis, except for certain financial assets and liabilities which are measured at fair value.

(iv) Current non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in Schedule III to the Companies Act, 2013.

Note No. 3 - Significant Accounting Policies**(i) Use of Estimates & Judgements**

The preparation of these Financial Statements requires management judgements, estimates and assumptions that affect the application of Accounting Policies, the Accounting disclosures made and the reported amounts of Assets, Liabilities, Income and Expenses. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to Accounting estimates are recognised in the period in which the estimates are revised and any future periods effected pursuant to such revision.

(ii) Critical accounting judgements and key source of estimation uncertainty

The Company is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. The estimates and underlying assumptions are reviewed on an on-going basis.

Estimation of current tax expenses and payable (Refer note no. 26)

Estimation of uncertainties relating to the global health pandemic from COVID-19 :

In March 2020, the World Health Organisation declared COVID-19 a global pandemic. Consequent to this, Government of India declared a nation-wide lockdown from 24th March 2020. Subsequently, the nation-wide lockdown was lifted by the Government of India, but regional lockdowns continue to be implemented in areas with significant number of COVID-19 cases. The Company remains watchful of the potential impact of COVID-19 pandemic, on resuming normal business operations on a continuing basis. Accordingly, the Company has assessed the impact of this pandemic on its business operations and has considered all relevant internal and external information available up to the date of approval of these financial statements, to determine the impact on the Company's revenue from operations and estimation of sales related expenses over the foreseeable future and the recoverability and carrying value of certain assets such as property, plant and equipment, investments, inventories, trade receivables, deferred tax assets and interest receivables. The impact of COVID-19 pandemic on the overall economic environment being uncertain may affect the underlying assumptions and estimates used to prepare Company's financial results, which may differ from impact considered as at the date of approval of these financial statements. The Company continues its business activities, in line with the guidelines issued by the Government authorities, take steps to strengthen its liquidity position and further explore cost restructuring exercise. The Company does not anticipate any challenges in its ability to continue as going concern or meeting its financial obligations. As the situation is unprecedented, the Company is closely monitoring the situation as it evolves in the future.

(iii) Property, plant and equipment (PPE)

Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated losses, if any. Cost includes expenses directly attributable to bringing the Asset to their location and conditions necessary for it to be capable of operating in the manner intended by the management.

Subsequent cost are included in the asset's carrying amount or recognized as separate asset, as appropriate, only when it is probable that is future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Notes to the Financial Statements for the year ended March 31, 2022**Depreciation methods, estimated useful lives and residual value**

Depreciation is calculated using the straight-line method to allocate their cost less their residual values on the basis of useful lives prescribed in Schedule II to the Companies Act, 2013.

The residual values are not more than 5% of the cost of an item of PPE. Depreciation methods, useful lives and residual values are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

Financial assets - Initial recognition:

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instruments. On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

Subsequent measurement:

Financial assets are subsequently classified as measured at:

- amortised cost
- fair value through other comprehensive income (FVTOCI)
- fair value through profit & loss (FVTPL)

The above classification is being determined considering the:

- (a) the entity's business model for managing the financial assets and
- (b) the contractual cash flow characteristics of the financial assets.

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

(a) Measured at amortised cost:

Financial assets are subsequently measured at amortised cost, if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified date to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(b) Measured at fair value through other comprehensive income (FVTOCI):

Financial assets are measured at FVTOCI, if these financial assets are held within a business model whose objective is achieved by both collecting contractual cash flows that give rise on specified dates to solely payments of principal and interest on the principal amount outstanding and by selling financial assets. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss

(c) Measured at fair value through profit or loss (FVTPL):

Financial assets other than equity instrument are measured at FVTPL unless it is measured at amortised cost or at FVTOCI on initial recognition. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised in the Statement of Profit and Loss.

Impairment

For financial assets other than trade receivables, the Company recognises 12-months expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. If, in a subsequent period, credit quality of the instrument improves such that there is no longer significant increase in credit risks since initial recognition, then the Company reverts to recognizing impairment loss allowance based on 12 months ECL. The impairment losses and reversals are recognised in Statement of Profit and Loss. For financial assets measured at FVTPL, there is no requirement of impairment testing.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers rights to receive cash flows from an asset, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement.

In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Financial Liabilities**Initial Recognition and measurement**

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial liabilities are initially recognised at fair value net of transaction costs for all financial liabilities not carried at fair value through profit or loss.

There are NIL financial liabilities during the period covered in these financial statements.

Notes to the Financial Statements for the year ended March 31, 2022**Subsequent measurement**

Financial liabilities measured at amortised cost are subsequently measured at using EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit or Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right

to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

No financial assets and/or financial liabilities have been subject to offsetting.

Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above

Inventories are stated at lower of cost and net realisable value. Cost is determined on first-in, first-out (FIFO) basis, as considered appropriate by the Company. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs necessary to make the sale.

Provision is made for obsolete/slow moving/defective stocks, wherever necessary.

(vi) Taxes on Income

Taxes on income comprises of current taxes and deferred taxes.

Current Tax

Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Notes to the Financial Statements for the year ended March 31, 2022**Deferred Tax**

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax asset is also recognised in respect of carried forward tax losses and unused tax credits.

Deferred Tax assets are recognised to the extent that it is probable that future taxable amounts will be available to utilise those temporary differences, carried forward tax losses and unused tax credits.

Deferred Tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the tax laws that have been enacted or substantively enacted by the reporting date.

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

The Company recognises revenue when it is probable that future economic benefits will flow to the Company and the amount of revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

Sale of Stock-in-trade

The Company derives revenues primarily from trading in commodities. Effective April 01, 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) - 'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. April 01, 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets/ liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant.

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

Interest

Interest is recognized on time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend

Dividend on shares & securities is recognised on receipt basis.

(viii) Employee Benefits

Contribution of Provident Fund, Gratuity and Leave encashment benefits wherever applicable is being accounted on actual liability basis as and when arises. However, the above referred provisions are not applicable to the company as it does not fall within the purview of the same in the year under review.

(ix) Provision and Contingent Liabilities

Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

A disclosure for contingent liabilities is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. When there is a possible obligation or a present obligation and the likelihood of outflow of resources is remote, no provision or disclosure for contingent liability is made.

Contingent Assets are not recognised but are disclosed when an inflow of economic benefits is probable.

(a) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year.

(b) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares

Note No. 28 - Financial Instruments

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

1. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short term maturities of these instruments.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The carrying amounts and fair values of financial instruments by category are as follows:**As at 31st March, 2021**

(Amount in Lakhs)

	FVOCI	FVTPL	Amortised cost	Total
Financial Assets				
Investments	-	3.85	-	3.85
Cash and cash equivalents	-	-	18.82	18.82
Loans	-	-	2,186.26	2,186.26
	-	3.85	2,205.08	2,208.94
Financial Liabilities	-	-	-	-

As at 31st March, 2022

	FVOCI	FVTPL	Amortised cost	Total
Financial Assets				
Investments	-	12.48	-	12.48
Cash and cash equivalents	-	-	35.59	35.59
Loans	-	-	2,140.76	2,140.76
	-	12.48	2,176.35	2,188.83
Financial Liabilities	-	-	-	-

Fair value estimation

For financial instruments measured at fair value in the Balance Sheet, a three level fair value hierarchy is used that reflects the significance of inputs used in the measurements. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The categories used are as follows:

- Level 1: quoted prices for identical instruments
- Level 2: directly or indirectly observable market inputs, other than Level 1 inputs; and
- Level 3: inputs which are not based on observable market data.

For assets and liabilities which are carried at fair value, the classification of fair value calculations by category is summarised below:

	(Amount in Lakhs)		
	Level 1	Level 2	Level 3
31st March, 2021			
Financial Assets			
Non Current Assets			
Investment		3.85	-
Current Assets			
Loans		-	2,186.26
Cash and cash equivalents		-	18.82
31st March, 2022			
Financial Assets			
Non Current Assets			
Investment		12.48	-
Current Assets			
Loans		-	2,140.76
Cash and cash equivalents		-	35.59

There were no significant changes in classification and no significant movements between the fair value hierarchy classifications of financial assets and financial liabilities during the years.

Notes to the Financial Statements for the year ended March 31, 2022**Note No. 29 - Financial Risk Factors**

The Company's activities exposes it to Liquidity Risk and Credit risk. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised as below

(a) Liquidity Risk

The risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk management implies maintenance sufficient cash including availability of funding through an adequate amount of committed credit facilities to meet the obligations as and when due.

The Company manages its liquidity risk by ensuring as far as possible that it will have sufficient liquidity to meet its short term and long term liabilities as and when due. Anticipated future cash flows, undrawn committed credit facilities are expected to be sufficient to meet the liquidity requirements of the Company.

(b) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations. The Company is exposed to credit risks from its operating activities, primarily trade receivables, cash and cash equivalents and other financial instruments.

To manage the credit risk from trade receivables, the Company periodically assess financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly. The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period.

Trade and other receivables

The Company considers the probability of default upon initial recognition of assets and whether there has been a significant increase in credit risks on an ongoing basis throughout each reporting period.

To assess whether there is a significant change increase in credit risk the Company compares the risks of default occurring on the assets as at the reporting date with the risk of default as at the date of initial recognition. It considers the reasonable and supportive forward looking information such as:

- (i) Actual or expected significant adverse changes in business.
- (ii) Actual or expected significant changes in the operating results of the counterparty.
- (iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its
